

# I Stand for You

Nick Carter

I'm gonna run forever, say whatever  
Take a chance in what I believe in  
I'm gonna have a tattoo, I'm gonna have an attitude  
So tell my girlfriend that I'm leaving

'Cause I'm free, yeah, to say what I wanna say  
And I'm feeling that it's time to get away

Whoa, whoa, we can live forever if we try  
It's up to you  
Yeah, yeah and nothing's gonna stop us now  
We're young, I stand for you

See I'm a taker, I'm not a beggar  
I'm tired of losing, I'm gonna lose it  
I wanna ride a Harley, oh, on the highway  
Gonna do it my way, gonna do it my way

'Cause I'm free, yeah, to say what I wanna say  
And I'm feeling that it's time to get away

Whoa, whoa, we can live forever if we try  
It's up to you, yeah you  
Yeah, yeah and nothing's gonna stop us now  
We're young, I stand for you, ohh, oh, yeah

Pressure in the air, in my hair, people everywhere  
Politics don't care, need to ease my mind  
Try to find a way, better day but it's time to get away  
Don't you care?

Whoa, whoa, we can live forever if we try  
It's up to you, yeah you  
Yeah, yeah and nothing's gonna stop us now  
We're young, I stand for you, whoa yeah

Whoa, whoa, we can live forever if we try  
It's up to you  
Yeah, yeah, nothing's gonna stop us now  
We're young, I stand for you

Whoa, whoa, we can live forever if we try  
It's up to you  
Yeah, yeah, nothing's gonna stop us now
