

# The Thoughts of Mary Jane

Nick Drake

Who can know  
The thoughts of Mary jane  
Why she flies  
Or goes out in the rain  
Where she's been  
And who she's seen  
In her journey to the stars.

Who can know  
The reasons for her smile  
What are her dreams  
When they've journeyed for a mile  
The way she sings  
And her brightly coloured rings  
Make her the princess of the sky.

Who can know  
What happens in her mind  
Did she come from a strange world  
And leave her mind behind  
Her long lost sighs  
And her brightly coloured eyes  
Tell her story to the wind.

Who can know  
The thoughts of Mary Jane  
Why she flies  
Or goes out in the rain  
Where she's been  
And who she's seen  
In her journey to the stars.
