

Lighthouse

Nicky Romero

First light breaks the morning sky
Chasing the sunrise
We'll fly across the horizon
Sail away

We drifted out to nowhere
Set off with hopes and dreams
And if you're lost in darkness
Turn to me Keep breathing

I can be your lighthouse
If you need it I can be your lighthouse
Keep breathing I can be your lighthouse
If you need it I can be your lighthouse

Whoa whoa whoa
I can be your lighthouse
Whoa whoa whoa
I can be your lighthouse
Whoa whoa whoa
I can be your lighthouse
Whoa whoa whoa
I can be your lighthouse

Let's cruise time to discover how
Just sway with the waves we found
Gone with the wind
So far away

When rocks are underneath us
Washed up in stormy seas
Don't let them bring you worry
Turn to me

Keep breathing I can be your lighthouse
If you need it I can be your lighthouse
Keep breathing I can be your lighthouse
If you need it I can be your lighthouse

Whoa whoa whoa
I can be your lighthouse
Whoa whoa whoa
I can be your lighthouse

Whoa
I can be your lighthouse
I can be your lighthouse
Whoa
I can be your lighthouse
I can be your lighthouse
Whoa
I can be your lighthouse
I can be your lighthouse
Whoa
I can be your lighthouse
I can be your lighthouse
