## Lotta Love

## **Nicolette Larson**

It's gonna take a lotta love To change the way things are. It's gonna take a lotta love Or we won't get too far So if you look in my direction And we don't see eye to eye, My heart needs protection and so do I.

It's gonna take a lotta love
To get us thru the night.
It's gonna take a lotta love
To make things work out right.
So if you are out there waitin'
I hope you show up soon,
'Cause my heart needs relating not solitude

Gotta lotta love Gotta lotta love La La La La La La La La La Ooh, Ooh

It's gonna take a lotta love To change the way things are. It's gonna take a lotta love Or we won't get too far. It's gonna take a lotta love To change the way things are. It's gonna take a lotta love Or we won't get too far Or we won't get too far (Repeat to fade)
