

# I Miss You (It's Weird that You Don't Notice)

Nikki Cleary

Ah...ah...ah..

Ah...ah...ah..

Saw you yesterday  
We were talking  
Comparing notes  
What's happeneing  
What's not  
What you wanted  
What you got

Now you're on your way  
It's all about that  
And nothing else  
I feel like I'm small  
And I don't matter in that world  
If I try to tell you would you laugh in my face  
Tell me to grow up when I come clean and say

I miss you  
The way we used to be  
Back when you calling me  
Everyday (Yeah)  
You wanted to come over  
I miss you  
But it's different and it's stange  
Now that everything's changed  
And it scares me 'cause it's weird that you don't notice  
I miss you  
I....I....I.....  
Yes I do (yeah)  
I....I....I.....

Maybe it's just me  
But I don't think so  
I'm not insecure  
I just know  
What's real  
What is gone and what I feel

I remember when we used to say that  
We'd never change  
Forget where we've been  
I wanna go there again

If I tried to tell you  
You'd turn into that kind  
Wouls you put up your defense  
Say I was loosing my mind

I miss you  
The way we used to be  
Back when you calling me  
Everyday (Yeah)  
You wanted to get closer  
I miss you  
But it's different and it's stange

Now that everything's changed  
And it scares me 'cause it's weird that you don't notice

Don't you ever see my face outside your window  
Are you up so high you can't get back around  
Will you think of me some night when you get lonely  
Will you need me  
When you're on your way down

(Ooh)  
Saw you yesterday  
We were talking  
Comparing notes  
What's happeneing  
What's not  
What you wanted  
What you got

I miss you  
The way we used to be  
Back when you calling me  
Everyday (Yeah)  
You wanted to come over  
I miss you  
But it's different and it's stange  
Now that everything's changed  
And it scares me 'cause it's weird that you don't notice  
I miss you  
The way we used to be  
Back when you calling me  
Everyday (Yeah)  
You wanted to get closer  
I miss you  
But it's different and it's stange  
Nothing stays the same  
And it scares me 'cause it's weird that you don't notice  
I miss you  
I....I....I.....  
I miss you  
I....I....I.....  
Yes I do  
I....I....I.....  
I miss you
