

Happy

Nils Lofgren

Well I never kept a dollar past sunset
Always had a hole in my pants
Never went to school when I was happy
I never blew a second chance, oh no.

I need love, I need love to keep me happy
I need love
Baby won't you keep me happy?
Baby, keep me happy

I always took candy from strangers
Didn't wanna get me no trade
I never want to be like papa
Working for the boss every night and day.

I need love, I need love to keep me happy
I need love
Baby won't you keep me happy?
Baby, keep me happy

Oh, I need your love,
It makes me keep happy
Keep me happy
Baby, keep me happy

I never got a flash out of cocktails
When I got some flesh off the bone
I never got a lift out of Lear jets
When I can fly myself way back home.

I need love, I need a love to keep me happy
I need love
Baby won't you keep me happy?
Baby, keep me happy...
