

# Tonight and the Rest of My Life

Nina Gordon

Down to the earth I fell  
With dripping wings  
Heavy things won't fly  
And the sky might catch on fire  
And burn the axis of the world  
That's why I prefer a sunless sky  
To the glittering and stinging in my eyes

I feel so light  
This is all I want to feel tonight  
I feel so light  
Tonight and the rest of my life

Gleaming in the dark sea  
I'm as light as air  
Floating there breathlessly  
When the dream dissolves  
I open up my eyes  
I realize that  
Everything is shoreless sea  
A weightlessness is passing over me

Everything is waves and stars  
The universe is resting in my arms
