You Know You're Right

I will never bother you I will never promise too I will never follow you I will never bother you

Never speak a word again I will crawl away for good I will move away from here You won't be afraid of fear

No thought was put into this I always knew it would come to this Things have never been so swell I have never failed to fail

Pain, pain, pain You know you're right You know you're right You know you're right

I'm so warm and calm inside I no longer have to hide Let's talk about someone else Stinging soon begins to melt

Nothing really bothers her She just wants to love herself I will move away from here You won't be afraid of fear

No thought was put into this I always knew it would come to this Things have never been so swell I have never failed to fail

Pain, pain, pain, pain, pain

You know you're right You know you're right

Pain
