Nivea

Nivea, Akon  
Hey hey hey  
Nivea, Akon  
Hey hey hey

When I say I love you sometimes those words don't explain  
So much you do for me  
Can't picture a day without your face  
I'm always in a kodak moment when you're next to me  
Sometimes boy I can't breathe  
Boy swear you'll never leave

My love will never change  
It will always be this way  
We'll always be the same  
And they can't take that away  
We can run away  
Our love will lead the way  
So we'll just let them hate  
Cause they can't stop us babe

Nobody wanna see us together  
But it don't matter no  
Cause I got you babe  
Nobody wanna see us together  
But it don't matter no  
Cause I got you babe

Cause we gon' fight  
Oh yes we gon' fight  
Believe we gon' fight  
Fight for our right to love yeah  
Nobody wanna see us together  
But it don't matter no  
Cause I got you, babe

I told my mother that I'd be loving you til the end  
And if I had to start over, I'd do it all again  
And it doesn't matter what anyone has to say  
Cause in you I can depend, boy you are my best friend

My love will never change  
It will always be this way  
We'll always be the same  
And they can't take that away  
We can run away  
Our love will lead the way  
So we'll just let them hate  
Cause they can't stop us babe

Nobody wanna see us together  
But it don't matter no  
Cause I got you babe  
Nobody wanna see us together  
But it don't matter no  
Cause I got you babe

Cause we gon' fight  
Oh yes we gon' fight  
Believe we gon' fight  
Fight for our right to love yeah  
Nobody wanna see us together  
But it don't matter no  
Cause I got you babe

Babe, babe, babe, babe, hey  
Nobody, nobody, nobody  
They don't wanna see us  
Nobody, nobody, nobody

Nobody wanna see us together  
But it don't matter no  
Cause I got you babe  
Nobody wanna see us together  
But it don't matter no  
Cause I got you babe

Cause we gon' fight  
Oh yes we gon' fight  
Believe we gon' fight  
Fight for our right to love yeah  
Nobody wanna see us together  
But it don't matter no  
Cause I got you babe
