

# Last Night In Dakar

Nizlopi

Nagadef je suis Mamadou  
I love Africa  
But I'm leaving her  
Tomorrow morning  
The way is hard  
Many people drown  
Off the pirouge  
To Barcelona  
We Wanna make good money  
Bring it back  
And Live a good life  
Here with our family  
And my mother is crying  
But like 50 Cent  
I'm gonna "get rich  
Or die tryin"

'Cos it's my last night in Dakar  
It's my last night in Dakar  
Ooooooooooh  
It's my last night in Dakar  
oooooooooh

And I think of Miriam  
She's my dancing Queen  
But now I'll only get to see he  
In my Dreams  
And I love my friends,  
Titi, Iebe and Onzuo,  
If I get back they'll say  
"hey Mamadou  
You're such a big man  
You made such a living  
And now you can spend  
Your whole life giving"

HEY! HEY!  
Hold me, 'cos I'm going out to sea  
Hold me, 'cos I'm scared as I can be...
