

Libertine Libretto

No-Man

Libertine libretto
Screaming from the heat of the ghetto
Valerie aims for the heart
With Brian and Beverley from prospect park
Libertine libretto,
Screaming from the heat of the ghetto.
Arthur sheds his pheromones
In fifteen thousand mobile homes

Libertine libretto,
Screaming from the heat of the ghetto.
In the grip of grand emotion,
Julia drowns in tanning lotion.
Libertine libretto,
Screaming from the heat of the ghetto.
Jenny holds a nasty surprise
You can see it in her eyes.

Libertine libretto,
Screaming from the heat of the ghetto.
It's the end of the road in goma,
But Joe's eyes are glazing over.
Libertine libretto,
Screaming from the heat of the ghetto.
David lost his little mind,
Not knowing what to find.
