

## My Revenge On Seattle

No-Man

maybe there's more to life  
than just writing songs.  
maybe not.  
maybe there's more to life  
than just righting wrongs  
maybe not.

I grow so cold, you reach for gold  
I fail to hold your attention.

their pretty boy ways  
always take you away,  
take you away.  
my revenge on seattle -  
I retreat from the battle.  
won't you stay?

maybe there's more to life  
than just biting tongues.  
maybe not.  
out of the sky  
and left to die -  
believing the lie of protection.

their pretty boy ways  
always take you away,  
take you away.  
my revenge on seattle -  
I retreat from the battle.  
won't you stay?  
(2x)

maybe there's more to life  
than just writing songs.  
maybe not.
