

You Grow More Beautiful

No-Man

I don't know what you want from me,
I don't know what you want me to be.
In my dreams it's so easy to see,
In my dreams it's so clear.

I look for my face in the patterns on the wall,
I look for my shape in the way the flowers fall.
I look for my faith in you
You grow more beautiful
As I fade away.

I don't know what you want me to say,
I don't know if you want me to stay.
In my dreams I find a way -
In my dreams I seize the day.

I look for my face in the patterns on the wall,
I look for my shape in the way the flowers fall.
I look for my faith in you
You grow more beautiful
As I fade away.

You grow more beautiful

I look for my face in the patterns on the wall,
I look for my shape in the way the flowers fall.
I look for my faith in you
You grow more beautiful
As I fade away.

I look for my faith in you
You grow more beautiful
As I fade away.

I look for my faith in you
You grow more beautiful
As I fade away.
