Listen up what's the time said today, I'm gonna speak my mind Take me up to the top of the world I wanna see my crime Day by day there's a man in a suit who's gonna make you pay For the thoughts that you think and the words, they wont let yo u say.

One fine day
Gonna leave you all behind
It wouldn't be so bad, if I had more time

Sailin' down the river alone,
I'll be trying to find my way back home
But I don't believe in magic
Life is automatic, but I dont mind being on my own
No I don't mind being on my own
