

# Sad Song

Noel Gallagher

Sing a sad song  
In a lonely place  
Try to put a word in for me  
It's been so long  
Since I found this place  
You better put in two or three  
We as people, are just walking 'round  
Our heads are firmly fixed in the ground  
What we don't see  
Well it can't be real  
What we don't touch we cannot feel

Where we're living in this town  
The sun is coming up and it's going down  
But it's all just the same  
at the end of the day  
And we cheat and we lie  
Nobody says it's wrong  
So we don't ask why  
Cause it's all just the same  
at the end of the day  
We're throwing it all away  
We're throwing it all away  
We're throwing it all away  
at the end of the day

If you need it  
Something I can give  
I know I'd help you if I can  
If your honest and you say that you did  
You know that I would give you my hand  
Or a sad song  
In a lonely place  
I'll try to put a word in for you  
Need a shoulder? well if that's the case  
You know there's nothing I wouldn't do

Where we're living in this town  
The sun is coming up and it's going down  
But it's all just the same  
at the end of the day  
When we cheat and we lie  
Nobody says it's wrong  
So we don't ask why  
Cause it's all just the same  
at the end of the day

Don't throw it all away  
Don't throw it all away  
Don't throw it all away  
Don't throw it all away  
Throwing it all away  
Throwing it all away  
Throwing it all away

Throwing it all away  
Throwing it all away

You're throwing it all away  
at the end of the day
