

Slide Away

Noel Gallagher

Slide away - and give it all you've got
My today - fell in from the top
I dream of you - and all the things you say
I wonder where you are now?

Hold me down - all the world's asleep
I need you now - you knock me off my feet
I dream of you - and we talk of growing old
But you said please don't !

Slide in baby - together we'll fly
I've tried praying -
but I don't know what you're saying to me

Now that you're mine
We'll find a way
Of chasing the sun
Let me be the one that shines with you
In the morning we don't know what to do
Two of a kind
We'll find a way
To do what we've done

Let me be the one that shines with you
And we can slide away, slide away, slide away, away

Slide away - and give it all you've got
My today - fell in from the top
I dream of you - and all the things you say
I wonder where you are now?

Slide in baby - together we'll fly
I've tried praying and I know just what you're saying to me

Now that you're mine
We'll find a way
Of chasing the sun
Let me be the one that shines with you
In the morning we both know what to do
Two of a kind
We'll find a way
To do what we've done

Oh, let me be the one that shines with you
And we can slide away
Slide away
Slide away
Slide away
Slide away
Slide away
Slide away
Slide away

(I don't know, I don't care)
(All I know is you can take me there)
