Slide away

```
Slide away - and give it all you've got
My today - fell in from the top
I dream of you - and all the things you say
I wonder where you are now?
Hold me down - all the world's asleep
I need you now - you knock me off my feet
I dream of you - and we talk of growing old
But you said please don't !
Slide in baby - together we'll fly
I've tried praying -
but I don't know what you're saying to me
Now that you're mine
We'll find a way
Of chasing the sun
Let me be the one that shines with you
In the morning we don't know what to do
Two of a kind
We'll find a way
To do what we've done
Let me be the one that shines with you
And we can slide away, slide away, slide away, away
Slide away - and give it all you've got
My today - fell in from the top
I dream of you - and all the things you say
I wonder where you are now?
Slide in baby - together we'll fly
I've tried praying and I know just what you're saying to me
Now that you're mine
We'll find a way
Of chasing the sun
Let me be the one that shines with you
In the morning we both know what to do
Two of a kind
We'll find a way
To do what we've done
Oh, let me be the one that shines with you
And we can slide away
( I don't know, I don't care)
(All I know is you can take me there)
