

# Toes

Norah Jones

The current is strong from what I've heard  
It'll wisk you down the stream  
But I never seem to have the time  
So my toes just touched the water  
My toes just touched the water

I daydreamed on the bank again  
I was swimming with the fish  
And I thought this time that it may be true  
But my toes just touched the water  
My toes just touched the water  
My toes just touched the water

Walked a mile just to find the edge  
Some place low enough to step right in  
Now I'm here and I can't begin to move

Walked a mile just to find the edge  
Some place low enough to step right in  
Now I'm here and I can't begin to move  
The spoiled sun up over there  
It always has to have its way  
And I know that the river's there to shelter me  
My toes just touched the water  
My toes just touched the water...
