```
I hope you burn
I'll be the king of the ash
I hope you burn
I'll be the king of the ashes

What you're feeling is the loneliness of God
What you're feeling is the loneliness of God
I hope you burn
I'll be the king of the ash
I hope you burn
I'll be the king of the ashes

What you're feeling is the loneliness of God
What you're feeling is the loneliness
Loneliness of God
```
