

Grade A Barn

Norman Greenbaum

I'm goin' to build a Grade A barn for my goats
So I can sell that milk to the folks
Who wanna be healthy, who wanna live right
I got the supply

I wish they would startin' buildin' the barn
'Cause winter is comin' to the farm
Gotta beat the rains
So the goats'll stay dry

Greenbaum's Dairy, that's our name
Norman, Vicky, Jethro and Sarah Jane
Oh me, oh my
Such a long way from "Spirit in the Sky"

Takin' my royalties
Puttin' them into this goat dairy
I am what I am, a singin' milkman, my
