

She just left me oh,  
And there's no-one here  
That I want to change her for  
And I was good for her,  
Still she says she don't know  
Who she adores

Where did we go wrong?  
Was it somewhere along this trip to Miami?  
Where did we go wrong?  
Was it somewhere along this trip to Miami?

Well I don't agree,  
That you're better off without  
Sir Raymond, not me  
'cause we were good for you,  
Still you say you don't know  
With whom you should be

Where did we go wrong?  
Was it somewhere along this trip to Miami?  
Where did we go wrong?  
Was it somewhere along this trip to Miami?

Why should we bother?  
I don't need no other to be  
On myself  
Why should I bother?  
I don't need no other, no no

So, where did we go wrong?  
Was it somewhere along this trip to Miami?  
Where did we go wrong?  
Was it somewhere along this trip to Miami?
