

From Finner

Of Monsters and Men

1. We came here on his back
And we caught your eye
The salty ocean wind
Made the seagulls cry

2. The rocking of his house
Had me holding on
But I knew that I was safe
From there on out

3. The waves that hit his face
Marked the past
And the farrows on his skin
Oh how time goes fast

R: And we are far from home
But we're so happy
Far from home, all alone
But we're so happy

*: La, la la la, la la la, la la la

5. After every sunny day
Came a stormy night
That's when finner would say
Keep your heads held high

R: And we are far from home...

*: La, la la la, la la la, la la la

R: And we are far from home...

Hey hey!
