But these problems aside I think I taught you well  
That we won't run, and we won't run, and we won't run  
That we won't run, and we won't run, and we won't run
  2. And in the winter night sky ships are sailing  
Looking down on these bright blue city lights  
And they won't wait, and they won't wait, and they won't wait  
We're here to stay, we're here to stay, we're here to stay
- R: Howling ghosts they re-appear  
In mountains that are stacked with fear  
But you're a king and I'm a lionheart
- A lionheart
3. His crown lid up the way as we moved slowly  
Passed the wondering eyes of the ones that were left behind  
Though far away, though far away, though far away  
We're still the same, we're still the same, we're still the same
- R: Howling ghosts they re-appear...
- \*: And in the sea that's painted black  
Creatures lurk below the deck

And as the world comes to an end  
I'll be here to hold your hand cause  
You're my king and I'm your lionheart
