

## Love Love Love

### Of Monsters and Men

1. Well maybe I'm a crook for stealing your heart away  
And maybe I'm a crook for not caring for it  
Yeah maybe I'm a bad, bad, bad, bad person  
Well baby, I know
2. And these fingertips, will never run through your skin  
  
And those bright blue eyes can only meet mine  
  
across a room filled with people that  
are less important than you
- R: Because you love, love, love when you know I can't love  
You love, love, love when you know I can't love  
You love, love, love when you know I can't love, you..
3. So I think it's best we both forget before we dwell on it  
The way you held me so tight all through the night  
Till it was near morning
- R: Because you love, love, love... (2x)
