## Of Monsters and Men

1. Cold, dark sea, wrapping its arms around me  
Pulling me down to the deep, all eyes on me
  2. I pushed you away, although I wished you could stay  
So many words left unsaid but I'm all out of breath
- R: So go, go, go, get out of here  
Go away, get out of here  
Go, go, get out of here  
Go away, get out of here  
Go, go, get out of here  
Go away, get out of here  
Go, go, get out of here, go away
3. Cold, dark sea, your waves are rocking me  
I close my eyes and fall asleep, all eyes on me  
Your eyes on me
