We Are Destroying the Song

of Montreal

If you're feeling old and grey And the pallet in your hand is Auntie Lime Remember to curve your virginity Little Chinese titty

If you look for Rick the Third And acknowledge that he hasn't left a pang Report him to the Divinity Little Chinese Ricky

The little Chinese Ricky is of foam And you know that you can Ricky model home WAIT don't go home We are performing the song!

If a Bertha had it's mirth And the sack that held the attic up is torn Meow meow meow for eternity Little Chinese kitty

The little Chinese Ricky is of foam And you know that you can Ricky model home WAIT don't go home We are destroying the song!
