I've been waiting for months, waiting for years, waiting for yo u to change.

Aw, but there ain't much that's dumber, there ain't much that's dumber

than pinning your hopes on a change in another.

And I, yeah I still need you, but what good's that gonna do? Needing is one thing, and getting gettings another.

So I been sitting around, wasting my time, wondering what you been doing.

Aw, and it ain't real forgiving, it ain't real forgiving sitting here picturing someone else living.

And I, yeah I still need you, but what good's that gonna do? Needing is one thing, and getting gettings another.

I've been hoping for months, hoping for years, hoping I might forget.

Aw, but it don't get much dumber, it don't get much dumber than trying to forget a girl when you love her.

And I, yeah I still need you, but what good's that gonna do? Needing is one thing, and getting gettings another.

When? When? Why not now? Why not me? Why not me?
