

## No Mother

Old 97's

In the valley of the shadows, I?m waiting  
For mother and the other ones I love  
So know I?ll always love you  
Until we meet above

In the battle of the bottle I?m an innocent  
And the breaking of glass I?m lost  
In the shadow of a downtown overpass  
My last I did exhaust

No, no, no mother  
Should ever have to lose a son  
No, no, no never  
Especially not such a handsome one

In the middle of the meadow, I?m waiting  
For mother and the other ones I love  
There?s no good why this came to pass  
There?s only just because

No, no, no mother  
Should ever have to lose a son  
No, no, no never  
Especially not such a handsome one

In the valley of the shadows, I?m waiting  
For mother and the other ones I love  
So know, I?ll always love you  
Until we meet above

No, no, no mother  
Should ever have to lose a son  
No, no, no never  
Especially not such a handsome one

No, no, no, no mother  
Should ever have to lose a son  
No, no, no, no never  
Especially not such a handsome one
