

# Stick with Me

Olly Murs

Too much time  
Too much space  
Looking for the truth  
Mountains you have had to climb  
Valleys you've been through  
I don't know about where you've been or where you going to  
I will get lost with you

Oh Father, don't you worry  
I'll never let you down  
Oh Mother, when you need me  
I'll always be around  
Sister, it's hard to see you struggle like you do  
I will get lost with you

We all get lonely  
Trying to find a place where we should be  
Trying to find someone to set us free  
There are times a friend is all you need  
We all get lonely  
So stick with me  
Aw Yeah  
So stick with me  
We all get lonely  
So stick with me

Too much shame  
Too much blame  
Non of it is true  
All the weight of your regrets  
We all got a few  
There's not so much to carry  
If you let me carry two  
Yeah I will be there with you

Oh Father, don't you worry  
I'll never let you down  
Oh Mother, when you need me  
I'll always be around  
Sister, it's hard to see you struggle like you do  
But I'll be there with you

We all get lonely  
Trying to find a place where we should be  
Trying to find someone to set us free  
There are times a friend is all you need  
We all get lonely  
So stick with me

We all get lonely  
We all get lonely  
We all get lonely  
Com on baby

Oh Father, don't you worry  
I'll never let you down  
Oh Mother, when you need me

I'll always be around  
Sister, it's hard to see you struggle like you do  
But I'll be there with you

We all get lonely  
Trying to find a place where we should be  
Trying to find someone to set us free  
There are times a friend is all you need  
We all get lonely  
So stick with me  
So stick with me  
Aw Yeah
