

Dream of Me

OMD

Say it isn't right
To be alone tonight
So in love with you
Tell you what I'm gonna
Do about it

I had an idea
Based on a love theme
I had an idea
Based on a love theme

All I ever do
Is what you want me to
So in love with you
Tell you what I'm gonna
Do about it

I had an idea
Based on a love theme
I had an idea
Based on a love theme

Say it isn't right
To be alone tonight
So in love with you
Tell you what I'm gonna
Do about it

I had an idea
Based on a love theme
I had an idea
Based on a love theme
