

Metroland

OMD

We live and we die
We love and we lie
In hope and in plan
Consuite in metroland

You say run away
I say here we stand
Today is yesterday
Everyday in metroland

We fail and we fall
We fear and we crawl
With faith in our hands
We've burned in metroland

You say run away
I say here we stand
Today is yesterday
Everyday in metroland

You say run away
I say here we stand
Today is yesterday
Everyday in metroland

Metroland... metroland
Metroland... in metroland
Every day in metroland, metroland...
Metroland metroland
