

Neon Lights

OMD

Neon lights
Shimmering neon lights
And at the fall of night
The city's made of light
Neon lights
Shimmering neon lights
And at the fall of night
The city's made of light

I dream of you
With me tonight
We're all alone
Under the neon lights
And walking home
You're by my side
The neon lights
Are in our eyes

Neon lights
Shimmering neon lights
And at the fall of night
The city's made of light
Neon lights
Shimmering neon lights
And at the fall of night
The city's made of light
