Stand Out Fit In

ONE OK ROCK

I know they don't like me that much
Guess I don't dress how they want
I just wanna be myself, I can't be someone else

Try to color inside their lines
Try to live a life by design
I just wanna be myself, I can't be someone else
Someone else

They yell, they preach
I've head it all before
"Be this", "Be that"
I've heard it before
Heard it before

Big boys don't cry
Shoot low, aim high
Eat up, stay thin
Stand out, fit in
Good girls don't fight
Be you, dress right
White face, tan skin
Stand out, fit in

Stand out, fit in
Stand out, fit in

Lately, it's been too much all day
Words shot like a cannon at me
I just wanna be myself
I can't be someone else, someone else

They yell, they preach
I've head it all before
"Be this", "Be that"
I've heard it before
Heard it before

Big boys don't cry
Shoot low, aim high
Eat up, stay thin
Stand out, fit in
Good girls don't fight
Be you, dress right
White face, tan skin
Stand out, fit in

Stand out, fit in
Stand out, fit in
Stand out, fit in
Stand out, fit in

I am who I am no matter what
Never changing no matter what
No matter what

Big boys don't cry

Shoot low, aim high
Eat up, stay thin
Stand out, fit in
Good girls don't fight
Be you, dress right
White face, tan skin
Stand out, fit in

Big boys don't cry
Shoot low, aim high
Eat up, stay thin
Stand out, fit in
Good girls don't fight
Be you, dress right
White face, tan skin
Stand out, fit in

Stand out, fit in
Stand out, fit in
Stand out, fit in
Stand out, fit in
