

The same as...

ONE OK ROCK

Nanigenai hibi just the same old thing
nani ga kakete tarinai ka
kizukanai furishite temo i can't run away from myself
i tried to show you i'm strong
just get all along umaku amaetai kimochi ga
hetakusona tsuyogari ni shika narazu
the shape of love is the same as your heart is
it doesn't matter who you are
so tell me my heart is the same as yours is

Sarigenaku morau sono aijou wa totemo fukakai de
sunao ni wa ukeirerare
nani ka wo mada tozashita mama
no matter how much you say i can't escape
ima nani ka wo kaete koto de
kono saki ni hirogaru nani ka wo kaeru

The shape of love is the same as your heart is
it doesn't matter who you are
so tell me my heart is the same as yours is
tatoe hakanakutomo
kanashii toki sabishii toki itsumo soba ni aru kara
and we hold every moment cos that's what family is for

Kakegae no nai mono wo suteru yuuki nante
boku ni wa kore bocchi wo mochiawase te wa nai kedo
tokidoki naze ka tebanashite komara setai toki ga aru
hinekureta kawai-ge no nai boku

The shape of love is the same as your heart is
it doesn't matter who you are
so tell me my heart is the same as yours is
tatoe hakanakutomo
kanashii toki sabishii toki itsumo soba ni aru kara
and we hold every moment cos that's what family is for

Gone too far for so long
got to find you've been right here all along
(i wanna take you away from here)

Kono sekaijuu de nani ga arou to
boku wo aishite kurete
itsudemo sotto yasashiku sotto
mimamori tsuzuketeru
tsuyoku yowaku toki ni kibishiku
atatakana nukumori
and we hold every moment cos that's what family is for

The shape of love is the same as your heart is
and tell me my heart is the same as yours is

The shape of love is the same as your heart is
and tell me my heart is the same as yours is
