

# Feel Again

OneRepublic

It's been a long time coming since I've seen your face  
I've been everywhere and back trying to replace  
Everything that I had 'til my feet went numb  
Praying like a fool that's been on the run

Heart's still beating but it's not working  
It's like a million dollar phone that you just can't ring  
I reached out trying to love but I feel nothing  
Yeah, my heart is numb

But with you  
I feel again  
Yeah, with you  
I can feel again

Yeah  
Woo-hoo (4x)

I'm feeling better ever since you know me  
I was a lonely soul but that's the old me

It's been a long time coming since I've seen your face  
I've been everywhere and back trying to replace  
Everything that I broke 'til my feet went numb  
[Album version:] Praying like a fool just shot the gun  
[Radio version:] Praying like a fool just shy of a gun

Heart still beating but it's not working  
It's like a hundred thousand voices that just can't sing  
I reached out trying to love but I feel nothing  
Oh, my heart is numb

But with you  
I feel again  
Yeah, with you  
I can feel again

But with you  
(I'm feeling better ever since you know me)  
I feel again  
(I was a lonely soul but that's the old me)  
Yeah, with you  
(I'm feeling better ever since you know me)  
I can feel again  
(I was a lonely soul)

Woo-hoo (5x)

(I'm feeling better ever since you know me)  
(I was a lonely soul, but that's the old me)  
(I'm feeling better ever since you know me)  
(I was a lonely soul, but that's the old me)  
(I'm feeling better ever since you know me)  
(I was a lonely soul, but that's the old me)

I'm feeling better ever since you know me  
I was a lonely soul but that's the old me

A little wiser now from what you've shown me  
Yeah, I feel again  
Feel again...

Woo-hoo
