

If I Lose Myself

OneRepublic

1. I stared up at the sun
Thought of all the people, places and things I've loved
I stared up just to see, all the faces,
you were the one next to me

R: You can feel the light start to tremble
Washing what you know out to sea
You can see your life out of the window, tonight
If I lose myself tonight, It'll be by your side

If I lose myself tonight, woooh, woooh, woooh!
If I lose myself tonight, It'll be you and I
Lose myself tonight

2. I woke up with the sun

Thought of all the people, places and things I've loved

I woke up just to see, with all the faces

You were the one next to me

R:

Take us down and we keep trying, 40 000 feet keep flying
Take us down and we keep trying, 40 000 feet keep flying
Take us down and we keep trying, 40 000 feet keep flying
Take us down and we keep trying, 40 000 feet keep flying

Lose myself, If I lose myself tonight
Whooo, whooo,...ooo,.
Whooo, whooo,...ooo,.
