

# Breathe

Oomph!

Cry don't cry  
Don't be afraid  
Try just try  
Let it in you  
Try  
Cry don't cry  
It's getting late  
Try just try  
Follow me  
Down

Breathe in  
though it hurts  
I know you can  
Breathe in  
though it burns  
I know you can  
I know you want  
Follow me  
Follow me

Breathe in  
Cold dead water

Breathe in  
Cold dead water  
Please walk with me  
Follow me

Cry cry  
Don't cry

Breathe out  
Breathe in  
Stay alive  
Breathe in  
Stay alive  
Breathe in  
Don't cry  
Breathe in  
I'll try  
Now breathe in

Still alive  
Under water  
Breathe  
Still alive  
Breathe with me
