

My Soubrette

Oomph!

You can do what you want - I will never forget you
You can do what you want - I will always beget you - again
You can do what you want - I will never forget my soubrette
You can do what you want - I will never forget you

Time to put your love back in your hands
Time to give your love a second chance

You can be what you want - I will never ignore you
You can be what you want - I will always adore you - again
You can be what you want - I will never ignore my sweet whore
You can be what you want - I will never ignore you

Time to put your love back in your hands
Time to give your love a fucking sense

You give me reason to live
You give me reason to realize
You give me reason to live
You give me reason to realize

You can say what you want - I will never forget you
You can say what you want - I will always beset you - again
You can say what you want - I was fucking upset - your kismet
You can say what you want - I will never forget you

Time to put your love back in your hands
Time to raise in for the final dance
Time to put your love between your thighs
(Masturbate! Yeah! Motherfuck you!)
Time to face the fact - you're cold as ice
(Masturbate! Yeah! Motherfuck you!)

You give me reason to live
You give me reason to realize
You give me reason to live
You give me reason to realize
