OPM

Dirty white, ivory white, ivory white, dirty dirty white  
Ivory white, dirty dirty white, dirty dirty white white

Why can't i live the highlife without a comedown, why?  
Somebody tell me why, tell me why, tell me why.  
When i'm up, it's so right, when i'm down i wanna die,  
So tell me why do i why, why do i why do i why?  
Then i bag up again, to numb myself from the pain  
Try to keep it going on 'til i forget my name  
Ivory white, dirty dirty, white, dirty dirty, white, white

Ivory white, dirty white, so dirty i'm hurting,  
It's dirty dirty white, dirty white, ivory white  
Cocaine champagne up all night. it's dirty white.

Skip to the loo, no skip to my deala, he got the good shit, so  
call it the killa  
Some call it the thrilla, or even vanilla, turnin 10 to a 4,  
I'm blazin' thru a whore, he gives good deals you'll be back fo  
r more there was a bust last week  
Now the price will soar, nostrills sore, knock at the door  
Eviction notice can't live there anymore  
Ivory white ivory white  
Ask yourselves what this happen for? don't cry, dry your eyes,  
you're just high,  
Bitch, you need to go to rehab and tell your story to another g  
uy  
Ivory white, ivory ivory ivory dirty dirty white w-white

Ivory white, dirty white, so dirty i'm hurting,  
It's dirty dirty white, dirty white, ivory white  
Cocaine champagne up all night. it's dirty white. it's dirty wh  
ite.

Come get high with me, share in my misery  
The room begins to spin, my eyes begin to bleed  
I'm coming down for sure, and no it really hurts  
I try something else, but nothing else seems to work  
O it's a roller-coaster ride, i'm down and then i'm high  
Sometimes i laugh, sometimes i cry  
Not sure how i keep getting by  
It's like this never-  
ending quest like this test i'll never pass  
I keep living in this mess, dying slow and living faaaaaasssstt  
Yeahhhh, o yeaaah, yeahhhh
