

# All I Need Is Everything

## Over the Rhine

Slow down, hold still  
It's not as if it's a matter of will  
Someone's circling, someone's moving  
A little lower than the angels

And it's got nothing to do with me  
The wind blows through the trees  
But if I look for it, it won't come  
I tense up, my mind goes numb

There's nothing harder  
Than learning how to receive

Calm down, be still  
We've got plenty of time to kill  
No hand writing on the wall  
Just the voice that's in us all

And you're whispering to me  
Time to get up off my hands and knees  
'Cause if I beg for it, it won't come  
I find nothing but table crumbs

My hands are empty  
God, I've been naive

All I need is everything  
Inside, outside, feel new skin  
All I need is everything  
Feel the slip and the grip of grace again

Slow down, hold still  
It's not as if it's a matter of will  
Someone's circling, someone's moving  
A little lower than the angels

This voice calling me to you  
It's just barely coming through  
Still, I clearly hear my name  
I've been fingering the flame

Like tomorrow's martyr  
It gets harder to believe

All I need is everything  
Inside, outside, feel new skin  
All I need is everything  
Feel the slip and the grip of grace again

So from now till kingdom come  
Taste the words on the tip of my tongue  
'Cause we can't run truth out of town  
Only force it underground

The roots grow deeper  
In ways we can't conceive

All I need is everything  
Inside, outside feel new skin  
All I need is everything  
Feel the slip and the grip of grace again

All I need is, all I need  
All I need, all I need is  
All I need is, all need  
All I need, all I need is  
All I need
