I get up and I get down I don't know how to take it All the pain makes me scream and shout I wonder if I'll make it I love the feeling when the magic is just right There's no revealing what is hidden in the night Riding on a train that I can't control No one else to blame and I can't let go In the darkness I can feel The things that makes me crazy Hands of madness cold as steel I find it quite amazing Never forsaking what a dreamer needs to know Rules meant for breaking and the seeds I have to sow Riding on a train that I can't control No one else to blame and I can't let go It's calling me, It's calling me It's calling me, It's calling me I'm riding on a train that I can't control See no evil, fear no fright Never lose the living Keep the targets in your sight Know the cards you're dealing Never forsaking what a dreamer needs to know Rules meant for breaking and I gotta let, I gotta it go
