## **Believer**

## **Ozzy Osbourne**

[Daisley - Osbourne - Rhoads]

Watching the time go And feeling belief grow Rise above the obstacles People beseech me But they'll never teach me Things that I already know (I know)

Dreams that have shattered May not have mattered Take another point of view Doubts will arise, though Like chasing a rainbow I can tell a thing or two (That's true)

You've got to believe in yourself Or no one will believe in you Imagination like a bird on the wing Flying free for you to use (OK baby)

I can't believe they stop and stare And point their fingers, doubting me Their disbelief suppresses them But they're not blind It's just that they won't see

I'm a believer I ain't no deceiver Mountains move before my eyes Destiny planned out I don't need no handout Speculation of the wise
