Demon Alcohol

Ozzy Osbourne

I'm sick and tired of your excuses Can't deal with living anymore I'll give you reasons to continue While you lie writhing on the floor

I'll wash away your lies And have you hyptotized There'll be no compromise today I'll share your life of shame I think you know my name I'll introduce myself today

I'm the demon alcohol (demon alcohol) I'll get you

If you could deal with your reflection I'm sure you'd see into my eyes There'll be no need for resurrection Let's drink to people of the lies

Although that one's too much You know ten's not enough There'll be no compromise today I'll watch you lose control Consume your very soul I'll introduce myself today

I'm the demon alcohol (demon alcohol) Ha ha, demon alcohol (demon alcohol) Let's party

I'm sick and tired of resolutions You've quit me time and time again Don't speak of suicide solutions You took my hand, I'm here to stay

This time it's you or me I'll never set you free There'll be no compromise today So satisfy your lust Too much can't be enough I'll introduce myself today

I'm the demon alcohol (the demon alcohol) Ha ha, demon alcohol, (the demon alcohol) Let's party
