

Flying High Again

Ozzy Osbourne

Oh no, oh no
Here we go now
Oh no, oh now
Here we go now

Got a crazy feeling I don't understand
'Gotta get away from here
Feelin' like I should have kept my feet on the ground
Waitin' for the sun to appear

Mamma's gonna worry
I've been a bad, bad boy
No use sayin' sorry
It's something that I enjoy

'Cause you can't see what my eyes see
(I can see it, I can see it)
And you can't be inside of me
Flying high again

I can see through mountains, watch me disappear
I can even touch the sky
Swallowing colours of the sound I hear
Am I just a crazy guy (you bet)

Mamma's gonna worry
I've been a bad, bad boy
No use sayin' sorry
It's something that I enjoy

If you could be inside my head
You'd see that black and white is read
Flying high again
Flying high again
Flying high again
Flying high again
Come on and join me

Flying high again
Flying high again
Flying high again
Come on and join me

Oh no, oh no
Here we go now
Oh no, oh now
Here we go now

Daddy thinks I'm lazy he don't understand
Never saw inside my head.
People think I'm crazy but I'm in demand
Never heard a thing I said

Mamma's gonna worry
I've been a bad, bad boy
No use sayin' sorry
It's something I enjoy

Flying high again
Flying high again
Flying high again
Flying high again
