

# I Ain't No Nice Guy

Ozzy Osbourne

When I was young I was the nicest guy I knew  
I thought I was the chosen one  
But time went by and I found out a thing or two  
My shine wore off as time wore on

I thought that I was living out the perfect life  
But in the lonely hours when the truth begins to bite  
I thought about the times when I turned my back and stalled  
I ain't no nice guy after all

When I was young I was the only game in town  
I thought I had it down for sure  
But time went by and I was lost in what I'd found  
The reasons blurred the way unsure

I thought that I was living life the only way  
But as I saw that life was more than day to day  
I turned around, I read the writing on the wall  
I ain't no nice guy after all  
I ain't no nice guy after all

In all the years you spent between your birth and death  
You know there's lots of times when you should have saved your  
breath  
It comes as quite a shock when your trip leads to a wall  
I ain't no nice guy after all  
I ain't no nice guy after all  
Hey Slasher?

When I was young I was the nicest guy I knew  
I thought I was the chosen one  
But time went by and I found out a thing or two  
My shine wore off as time wore on

I thought that I was living out the perfect life  
But in the lonely hours when the moon's the only light  
I thought about the times when I turned my back and stalled  
I ain't no nice guy after all  
I ain't no nice guy after all
