Suicide Solution

Ozzy Osbourne

Wine is fine, but whiskey's quicker Suicide is slow with liqueur Take a bottle, drown your sorrows Then it floods away tomorrows Away tomorrows

Evil thoughts and evil doings Cold, alone you hang in ruins Thought that you'd escape the reaper You can't escape the master keeper

'Cos you feel life's unreal, and you're living a lie Such a shame, who's to blame, and you're wondering why Then you ask from your cask, is there life after birth What you saw can mean hell on this earth Hell on this earth

Now you live inside a bottle
The reaper's travelling at full throttle
It's catching you, but you don't see
The reaper's you, and the reaper is me

Breaking laws, knocking doors
But there's no one at home
Made your bed, rest your head
But you lie there and moan
Where to hide, suicide is the only way out
Don't you know what it's really about

Wine is fine, but whiskey's quicker Suicide is slow with liqueur Take a bottle, drown your sorrows Then it floods away tomorrows
