Symptom of the Universe

Ozzy Osbourne

Take me through the centuries to supersonic years Electrifying enemy is drowning in his tears All I have to give you is a love that never dies The symptom of the universe is written in your eyes Yeah

Mother mooch is calling me back to her silver womb Father of creation takes me from my stolen tomb Seventh night the unicorn is waiting in the skies The symptom of the universe, a love that never dies Yeah

Take my hand, my child of love come step inside my tears Swim the magic ocean I've been crying all these years When our love will ride away into eternal skies A symptom of the universe, a love that never dies Yeah
