

Bad Boy

P.o.d.

I like a girl with big ol' eyes
Cause I could see her mind, body and soul harmonize
And she's so fine, I can't say love is blind
But I know it got me shook, got me mesmerized.
The kind of girl when she steps in the room
You know she steps to her own tune
She's got a custom fitted, one of a kind gown to the ball
Not someone else's costume!
And Miss Right don't come in two's
So I'm careful 'bout who I choose
These little floozies can dance on my cues
They're wasting time trying to fill your shoes

And I'm a bad boy, but I like good girls
The kind you wanna take home to meet your momma
You know that I'm a bad boy and I wanna good girl
To share my world
And show you how I do it!

And girl you know how I do, girl you know you've heard of my crew
And girl, I'm looking for a love that's true
Not some other ho to do
But when it's all set and done I need more than a hit and run
But don't get me wrong, you could be real fun
But it's time for me to find the one
The one I want to spend the rest of my life with,
The one to have too many kids with
So I'ma wife you up and make it right
Gonna turn you to a freak tonight, come on!

And I'm a bad boy, but I like good girls
The kind you wanna take home to meet your momma
You know that I'm a bad boy and I wanna good girl
To share my world
And show you how I do it!

Undying love, that's what I'm after
Like Mark Anthony and Cleopatra
I need a girl who's down to ride
I need a Bonnie and I can be your Clyde
I wanna girl I could love to death like Romeo and Juliet

And I'm a bad boy, but I like good girls
The kind you wanna take home to meet your momma
You know that I'm a bad boy
I'm a bad boy! But I,
I want a good girl to share my world
To show you how I do it!

When the party's over you are there,
Girl you're teasing me but I'm gonna wait cuz I wanna
Take you home to meet my mama, cuz I, I wanna good girl
To share my world and show you how I do it
