

Checkin' Levels

P.o.d.

Hey Bobby, dude, should I, uh, should I tighten' up my
snare or somethin'?

No, no, no, no, nah, the drums is cool.
Aight.

No, they fine, they fine. You need more guitar in your
headphones?

Yup.

Well I need y'all to rock something so I can get them
headphones together for
me one time, aight?

(Aww, yeah, cool man.)

Yeah, just one more time, just like that.

Yo, Sonny. Ya, Sonny, Yeah. You gotta give me a little
bit, to get the level
together. Yeah.

Oh yeah, that's tight, that's tight.

Yo, you need more effect?

Word, emme check these levels.

Okay, it should be cool now.

Turn it up. Um, check it out, check it out, here we go.
Wit this.

Okay, go ahead Bobby.

Freestyle fantastic,
Flippin' like acrobatics,
Microphone mathematics,
Add it, then subtract it,
And there you have it,
Automatic,
With the fanatic,
Gattic,
And if it was in your fingers you couldn't grab it,
Tragic,
Stealin' my style just like a bandit,
But me and this here mic stick tight, just like a
magnet,
Static,
Supersonic,
Just how we does,
Just because we slammin' like onyx feel the rush,
Dust to dust,
Beat to beat, ridiculous,
Everything we bust, It's a must, in God we trust,
So slam, da da da
