YOUR GLORY!

The day that they murdered

The death sentence, capital punishment Give o blood-shed, convict the innocent Eradicate the witness Lynch the first, slaughter the last Exterminate the absolute Stain the just in the blood bath Waste the pure, butcher the divine Annihilate the sunrise And he was numbered with the transgressors The day that they murdered LOVE The day that they murdered Love Eliminate the infinite Snuff the light and finish the truth Kill the immaculate Condemn beautiful virtue Assassination of individual redemption Obliteration of this undeniable one And he was numbered with the transgressors The day that they murdered LOVE The day that they murdered Love The day that they murdered LOVE The day that they murdered Love Remember me when you step into your glory Don't forget me when you step into your glory Remember me when you step into your glory Don't forget me when you step into your glory

```
The day that they murdered
The day that they murdered
The day that they murdered
The day that they murdered LOVE

The day that they murdered
The day that they murdered Love

The day that they murdered
